

Whetstone Ag Supply in Wilmot, SD is looking for an organized, hard working individual to manage our inventory of steel construction product. Much of the job will be loading and unloading product, organizing and inventorying the product, and being able to deliver product to job sites during construction season. Forklift experience is a must and warehouse work experience is preferred but not absolutely needed if individual is viewed as trainable. Applicant may also be required to use other heavy equipment (telehandler, bobcat, tractor) to complete certain jobs. Winter work will only require 8 hour days but summer and fall work will be anywhere from 10 to 12 hour days depending on immediate jobs in process, along with some Saturdays. Wages start at \$14-\$18 per hour depending on experience and other bonuses and benefits may be considered. You will be asked to check fluid levels on the machinery, grease machinery and when needed help out with any extra maintenance work or other work not necessarily pertaining to this job description. For this position we are looking for someone who has at least 2 to 5 years of experience working in this type of position or has possibly a farm or construction background.

We would like to go over the details about this position with you so if you are interested please give us a call today at 605-938-4709 or 605-881-7335 and ask for Trent. Also please read over the other requirements below as well. Thank you!
